Sir:

Applicant received a Notice of Allowability indicating that claims 1, 2, 8, and 14-16 are allowed. It is noted, however, that claims 17-19 also remain pending in the instant application. Accordingly, Applicant respectfully requests that the Examiner issue a Supplemental Notice of Allowability listing the correct allowed claims, which are claims 1, 2, 8, and 14-19.

In addition, there is no indication in the Notice of Allowability that the priority document was received by the Office. However, as noted on the attached copy of the front page of the priority document, which bears the Office's date-stamp indicating its date of receipt, the priority document was received from the International Bureau. A complete copy thereof can be found in the Office's image file wrapper. Accordingly, it is respectfully requested that the Examiner acknowledge receipt of the priority document in a Supplemental Notice of Allowability.

If there are any questions regarding this request or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

Respectfully submitted,

June 2, 2009
